

Warm greetings and shalom to our GIMI community,

Our most recent newsletter is reaching you during a challenging period for everyone in Israel. Despite these tough times, at GIMI, we maintain our focus and dedication to our work. The timing of our newsletter is particularly fitting, serving as a reminder that even amid formidable challenges, we have plenty of achievements to celebrate and positive news to look forward to.

In recent months, we engaged in successful international meetings, conducted inspirational courses, and enthusiastically welcomed new graduates into our GIMI family. As we approach the end of the year, we hope that our doors will remain wide open throughout December, ready to embrace participants from all corners of the world eager to learn from our experts.

Discover and enjoy the stories, experiences, and initiatives that have shaped these recent months. They stand as a testament to the enduring spirit of collaboration and growth that characterizes Galilee International Management Institute.

Warm regards,
